

Ladies! Boost your Car Care Confidence with our FREE Women's Car Care Clinic!

Give Us One Hour (or two...) and You'll Never Fear Auto Repair Again!

Over 70% of our clients are women who make decisions about their cars every day. Many have the same common questions, concerns and fears.

One of the many benefits of being a client of Signal Garage, which is the only Female Friendly Shop in the Twin Cities, is our **Women's Car Care Clinic** where we discuss the things everyone must know before having their car repaired.

In this "just for women" clinic we'll cover some of your main concerns and help dispel many of the mysteries that have been associated with our industry.

Learn all about:

- How To Choose The Right Shop
- What Regular Maintenance Is *Really* Necessary For Your Car?
- What's Under The Hood?

How do you really know you're getting exactly what you paid for?

Recent statistics show that over 70% of women are the decision makers when choosing who repairs and maintains their family's cars.

Many women are going to the dealer, even though they know that it is far more expensive, because they fear being taken advantage of, or having unnecessary repairs done. Many are driving to someplace they *'think'* they can trust.
