You Can Help us Help Our Neighbors by Getting us Connected with the 'Right' People...

Once again, in 2012 we will be offering our non - profit program called **"The Good Neighbor Card"**.

It is basically a small version of our VIP Car Care Club, only it's FREE!

We give these cards to non-profit organizations, and they sell the cards for \$20.00 each, and they keep ALL the profits.

Here are some of the organizations who are already benefiting from our program:

Dodge Nature Center, St. Croix Lutheran High School (sports teams)

Simley High School (High mileage car program and Lacrosse team).

If you know any Boy / Girl Scout leaders, band boosters, athletic programs, church youth groups and other people who might be looking to raise money for non profit organizations, we would appreciate your help to connect with them. You don't have to explain the program to them - we will be happy to show them how we can help them raise the funds they need.

Call us right now to schedule your reservation.

Just remember to bring your coupon when you come in for service. Offer expires January 31, 2012.
